

# ***Expression of gratitude***

We hereby express our immense gratitude to everyone who has shown us support in one way or another after the passing of our beloved Lyanne. Every phone call, personal message, abrazo and kind word has meant so much to us. It is a reflection of the person she was.

To all family, friends and former colleagues in Aruba, Curacao, St. Maarten and in the Netherlands, a heartfelt thank you.

On behalf of the family of
