

It is with great sadness that Shooting Club Farem hears of the passing of its founding member and President of the board, shooting coach, and dear friend:

Michel Daou

* October 31, 1960 † May 5, 2024

Michel was an inspiration to many shooters, an Olympian himself in the sport.

His gentle nature and ability to always strive for excellence will be dearly missed.

We wish Sonali, Zarifah, Amir, Yluzmar, Xavi, and the whole family every strength to deal with this difficult loss.
