

It is with great sadness that we took notice of the passing of

Mrs. Linda J. (Jacqueline) Berkel

Representative Board Member of the Prins Bernhard Cultuurfonds
Caribisch Gebied in Sint Eustatius.

Her tireless work in support of the cultural and nature development in Sint Eustatius greatly contributed to creating increased awareness of the Caribbean cultural fund's mission and, consequently, to better cultural governance on the island.

The Prins Bernhard Cultuurfonds Caribisch Gebied has truly lost a beloved colleague and exemplary representative.

Our deepest condolences go out to her family, in particular her sister. We wish them much strength to bear this great loss.
