

We are deeply saddened by the loss of

Nico Cornelisse.

As the founder and owner of The Wine Cellar he was and is the soul of the restaurant.

His strong presence and enormous dedication to the business and our team will be greatly missed.

We thank Nico for being our committed and loyal employer and our mentor.

His superior sense of hospitality, refined knowledge of the French kitchen and the most exquisite wines, will live on through our team and we will proudly continue to serve his legacy.
