**Condolences and short ceremony will take place at the
Mikvé Israel-Emanuel Synagogue
(Hanchi Snoa) on December 5th from 13:30,
whereafter the burial will take place at Berg Altena.**

*An advocate for Jewish light,
He taught, he shared, he led the way,
Ensuring traditions would never stray.
With love, he showed the sacred path,
Instilling pride in heritage vast.*

We have lost a prominent figure who was unique in our midst and will be sorely missed, here and abroad.

Instead of flowers, we appreciate a donation to the upkeep and maintenance of Mikvé Israel-Emanuel Synagogue and cemeteries.

With thanks to Dr. Jeroen Romer,
Management and staff of Klooster Alverna and
Birgen de Rosario and all who assisted in his last months.
