

Job Title:

Aircraft Maintenance Technician

Location: Bonaire Dutch Caribbean

About Us:

Antilles Aerospace NV is a reputable independent aircraft maintenance provider in the Caribbean, specifically on the islands of Bonaire and Curacao. As a company established in 2006, we have successfully navigated the challenges of aviation, priding ourselves on our unwavering commitment to excellence. We are thrilled to extend an invitation to qualified individuals to join our team.

Position Overview:

- Type rated Curacao Civil Aviation Authorities license.
- FAA Airframe and PowerPlant

The selected candidate will play an essential role within our maintenance team, ensuring the airworthiness of aircraft servicing between the islands but permanently based on Bonaire.

Conditions:

- Permanent position with a 3-month probationary period
- Salary to be determined based on qualifications.
- 36-hour work week
- 15 days' vacation (7 compulsory)
- Relocation assistance provided.
- 2 months of accommodation and transport included (If applicable)

Antilles Aerospace Clients:

- Air Canada
- American Airlines
- Amerijet
- COPA Airlines
- DHL
- Delta Air Lines
- JetBlue Airways
- United Airlines
- Wingo

Employment Location: Bonaire

Bonaire is a small island located in the southern Caribbean Sea, and it is part of the Dutch Caribbean, a special municipality within the Kingdom of the Netherlands. Bonaire is renowned for its stunning natural beauty, both above and below the water. The island is surrounded by pristine coral reefs, making it a world-class destination for diving. Apart from diving and snorkeling, Bonaire offers a range of outdoor activities such as windsurfing, kiteboarding and deep-sea fishing.

Responsibilities:

- Perform transit, and pre-flight inspections on Boeing, Airbus and ATR aircraft types
- Conduct defect rectifications, troubleshooting, and aircraft servicing.
- Aircraft line maintenance activities.
- Provide man-power support on the islands of Curacao, and other islands as needed.

Qualifications:

- Minimum of 8 years of experience in the Commercial Aviation Industry
- FAA Airframe and powerplant / Local CCAA License
- Ability to work both independently and collaboratively as part of a team.

Requirement:

- Positive security clearance is required for all applicants.

Salary: The salary consideration will be based on licensing, qualifications and experience on various aircraft types.

How to Apply:

Interested candidates who meet the qualifications are invited to submit their resume, cover letter, and relevant certifications to applicants@antilles.aero prior to 01 September 2025.

Antilles Aerospace Nv is an equal opportunity employer.

Join us in our commitment to excellence and become a valued member of our team.
