ASD is looking for a Commercial Sales Representative
For in the showroom and the sales department.

What does that mean?
• You advise customers in the showroom and by phone, email and WhatsApp
• You work out quotations and do the follow up
• You are responsible for the service and complaint handling
• You arrange the administrative handling of the quotation and order process.
• You get to deal with various logistical and administrative aspects in your daily work.
  Of course, you need to be skilled with Outlook, Word and Excel. Another important task of your function is to work with sales information systems, CounterPoint, ServicePoint and AutoQuotes.

What are the job requirements?
• For this job you need to be able to communicate well
• You like to sell products and services
• Customer service has to be your main focus
• You work with your colleagues to manage customer orders
• You feel responsible for your own work
• You are well organized, so the daily course of things run smoothly
• You master the languages spoken on Aruba: Papiamento, Dutch, English and Spanish, in word and writing.
• You are creative and think in solutions.
• You are in possession of at least an EPI Diploma and or University Degree

The salary depends on your training, work experience and age but will be between 2,500 and 4,500 gross per month.
