

We are looking for experts for the Commission for Environmental Assessment!

OPENBAAR LICHAAM
BONAIRE

The public entity of Bonaire is looking for several experts who want to contribute ideas about Environmental Impact Assessment (EIA)/Strategic Environmental Assessment (SEA).

Do you like to think carefully about Bonairian nature and environmental effects? Do you have knowledge of important developments and innovations in the field of nature and environment? Do you have knowledge of local and regional characteristics of nature and environment on Bonaire and in the region? In that case, we would very much like to meet you!

Would you like to participate in the Commission for Environmental Assessment? Let us know as soon as possible!

Send us an email with your motivation and cv before **March 13th 2023**. You can send your documents to milieueffectrapportage@bonairegov.com

You can find more information about this vacancy at our website www.bonairegov.com/inwoners/natuur-milieu/mer-eng
