

VACANCY

ARE YOU THE ONE?

JOB TITLE

Harbor Pilot

GOAL OF THE POSITION

Giving information to the Master of a cruise or cargo ship and/or executing the task of maneuvering of a ship safely and efficiently into and out of the harbour(s), thereby avoiding damage to ships, harbor installations or environment, or injuries to crew, passengers or harbor workers.

TASKS AND RESPONSIBILITIES

- Executing piloting services in a professional manner in compliance with the company's safety policies, which includes:
 - Directing course and speed of ships based on specialized knowledge of local winds, weather, tides and current so that ships can safely and efficiently enter moor, and exit the harbour, bays, and lagoons.
- Carrying out various inspections to ensure compliance with established national and international rules and regulations, which includes:
 - Performing inspections on water and in port.
- Reporting and investigating incidents and generating reports, such as oil spills.
 - Proactively identifying and reporting on incidents that may happen in all operational areas.
- Taking care of administrative tasks related to own work area, which include:
 - Vessel scheduling.
 - Completing forms needed for administrative purposes, tugboat assistance, waivers, ship liabilities etc.
- Supervising and giving instructions to the team.
- Other tasks, which includes:
 - In case of absence or emergency, occasionally assisting with other Maritime Department's functions.
 - Assisting in Certificate of Competency examinations.

EDUCATIONAL LEVEL AND EXPERIENCE

- Minimum education: Master No Limitations, STCW 11/2, Maritime Officer No Limitations V11/2.
- 3 – 5 years of continuous work experience.
- Sufficient knowledge of MS Office
- Sufficient knowledge of logistic systems
- Verbal and writing skills in the Dutch and English language.

OTHER REQUIREMENTS

- Must exhibit a high level of accuracy.
- Excellent interpersonal skills
- Problem solving skills.
- Leadership skills
