

COBHAM

Helicopter Handler

Cobham Aviation Services – Helicopter Services provides helicopters, crew and engineering support staff to the Dutch Caribbean Coastguard. The operation provides 24/7 cover all year round and is now looking for an enthusiastic and hardworking team member to join them in the above role, which is based at the Coastguard Air Station, Hato.

Key Responsibilities:

Ground handling of the Coastguard helicopter from hangar to flight line;
Aircraft cleaning;
Refuelling.
Hangar cleaning.
Other tasks as directed by the Maintenance Supervisor.

Person Specification:

Previous aviation experience is desirable;
Confident to work within and follow aviation safety regulations and company procedures;
Good understanding of written and verbal English;
Good analytical and problem solving skills;
High degree of integrity;
Actively promotes and encourages cooperation within a team;
Uses own initiative.

The successful candidate will be required to pass a police good conduct check and participate in random alcohol and drugs testing. In return the company is offering a 40-hr working week, 15 days annual holiday and a competitive salary.
