

# DRAKEN

## **Helicopter Handler/Refueller Required**

**Draken Europe** – Draken provides helicopters and engineering support staff to the Dutch Caribbean Coastguard. The operation provides 24/7 cover all year round and is looking for an enthusiastic and hardworking team member to join them in the above role, which is based at the Coastguard Air Station, Hato.

### **Key Responsibilities:**

- Ground handling of the Coastguard helicopter from hangar to flight line.
- Aircraft cleaning.
- Aircraft refueling.
- Ground servicing equipment maintenance.
- Hangar cleaning.
- Other tasks as directed by the Maintenance Supervisor.

### **Person Specification:**

- Previous aviation experience is desirable.
- Confident to work within and follow aviation safety regulations and company procedures.
- Good understanding of written and verbal English.
- Good analytical and problem-solving skills.
- High degree of integrity.
- Actively promotes and encourages cooperation within a team.
- Uses own initiative.

The successful candidate will be required to pass a police good conduct check and participate in random alcohol and drugs testing. In return the company is offering a flexible shift working pattern, 15 days annual holiday (in addition to local public holidays) and a competitive salary.
