

Vacancy:

Member Integrity Chamber Sint Maarten

Organisation

The Integrity Chamber is an independent administrative body (ZBO) which was established to promote integrity within the country. Its purpose is to contribute to the proper functioning of the public administration. The core tasks of the Integrity Chamber are (a) to advise and make proposals, (b) to investigate suspected misconducts, and (c) to provide continuous awareness on integrity. In this context, the members determine where the priorities will lie. The Integrity Chamber consists of three (3) members, including a President.

Candidate Profile

The Integrity Chamber is looking for a new member with the following profile:

- Familiar with (semi-)public sector dynamics in Sint Maarten, aware of relevant issues and interests.
- Able to assess precarious situations without bias. Can act autonomously and free from political influences and is of impeccable character.
- Capable of working as part of a team and open to the ideas of others.
- Discreet and knows how to handle confidential information carefully.
- Resides on or is strongly connected to Sint Maarten, understands the local context, and fluent (verbal and written) in both English and Dutch.
- Extensive experience in supervisory, management, and/or public administrative positions. A background in policy, consulting, research, or legislation is preferred.
