The Curaçao Chamber of Commerce and Industry represents the general interest of business in Curaçao. On that basis, the Chamber provides solicited and unsolicited advice to the government on issues relating to trade, industry and services. In addition, the Chamber provides trade information, mediation and other related services for local and foreign entrepreneurs who want to do business on, with and via Curaçao, the Chamber manages the Trade Register, and provides and legalizes documents for the benefit of business traffic.

At our Trade Information Center there is currently a vacancy for:

**Passionate innovator**

The Trade Information Center is responsible for providing trade information and services to entrepreneurs and other interested parties. The Trade Information Center is the first point of contact for start-ups, growing entrepreneurs, investors and others who are interested in doing business on, with, and via Curaçao. The Center proactively undertakes a variety of activities aimed at, among other things, promoting the innovative export of services from Curaçao, and provides passive and active mediation and related services in identifying local and foreign trade contacts.

The Chamber expects the staff member to support their colleagues in a professional and customer-oriented manner and to take enthusiastic and creative and result-oriented initiatives and to participate in activities to promote business in Curaçao.

The candidate has to have:
- Knowledge and / or skills in blogging, vlogging, social media, marketing and PR;
- Good knowledge of Papiamentu, Dutch, English and Spanish in speech and writing;
- A successfully completed education at HBO level;
- A customer-oriented and flexible attitude, creativity and team spirit;
- Excellent communication skills;

The Chamber prefers candidates with work experience and between the ages of 23 – 28 years old.

The Chamber offers a professional and pleasant working environment, interesting contacts and an employment package that is in accordance with the education and experience of the candidate.

Applications with a resume must be sent before July 25th, 2019 to the Secretary of the Chamber of Commerce and Industry Curaçao, Kaya Junior Salas 1, with the words "Application Hi!" on the envelope or it can be e-mailed to Management@curacao-chamber.cw
