

Vacancy:

## **President Supervisory Council Integrity Chamber Sint Maarten**

### **Organisation**

The Integrity Chamber is an independent administrative body (ZBO) which was established to promote integrity within the country. Its purpose is to contribute to the proper functioning of the public administration. The core tasks of the Integrity Chamber are (a) to advise and make proposals, (b) to investigate suspected misconducts, and (c) to provide continuous awareness on integrity.

The Integrity Chamber's Supervisory Council oversees the effective and lawful performance of the organisation's tasks, including authorising on-site investigations and handling complaints about its granted powers. The Supervisory Council consists of three members, including a President.

### **Candidate Profile**

The Integrity Chamber is looking for a new President of the Supervisory Council with the following key competencies:

- Experienced and independent professional functioning at academic working and thinking level
- Extensive experience in administrative positions
- Experienced supervisory board member with chairing skills and expertise
- Deep understanding of constitutional and administrative relations within the Kingdom
- Affinity with and knowledge of the social and political-administrative situation on Sint Maarten
- Independent attitude, connecting, open and pleasant personality, and a strongly developed moral compass
- Excellent command of both English and Dutch.
