

Maduro & Curiel's Bank N.V., a leading financial institution operating in Curaçao, Aruba, St. Maarten and the BES Islands, has the following vacancy in **CURAÇAO**:

Security & Investigation Technical Coordinator

Are you an out of the box thinker? Are you the go-to person for the latest technology on bank security? Do you possess strong project management skills? The challenges and opportunities of a continuously evolving bank, such as MCB, make a career as a Security and Investigation Technical Coordinator at MCB rewarding.

It's your job as a Security and Investigation Technical Coordinator to provide technical expertise to ensure the best security technology to protect our Bank.

JOB PROFILE

- Developing and implementing security policies and procedures
- Planning and managing security systems, such as surveillance, intrusion detection, and access control systems
- Advice on cost-effective bank security practices

REQUIREMENTS

- Bachelor's degree in engineering, electronics or a related field.
- 2+ years of experience in security operations
- Experience with fraud and/or information security processes

Besides the excitement and the challenge of a new work environment, we offer growth possibilities and an attractive remuneration package.

If your profile meets the above criteria and you have the necessary experience in this field, we ask you to submit your application including your resume via e-mail in English before June 30, 2023 to: hrd@mcb-bank.com
